ISO 9001:2000 Certification

This letter confirms that Acra Machining is in the process of developing and implementing the appropriate and required Quality Management System to qualify for ISO 9001:2000 certification.

It is expected that Acra Machining will successfully complete the necessary assessment, development and implementation of the Quality Management System for certification by February, 2008. Acra Machining has the elements of good business practices and certification will support and strengthen their continual demonstration and commitment to quality service and customer satisfaction.
